progress

#### Money Plus:

*We're all saving up for something*

Our credit building programs for multifamily offers a variety of tools. Our budgeting tool will help you track your spending and categorize your purchases so you can achieve your financial goals. Get real-time insight into where your money is going and how to save more.

#### FinStrong Financial Education:

*Helping you build a better financial future*

FinStrong is a totally customizable education program to help you learn more about how to achieve financial success. Take advantage of our world-class education tool to master foundational financial principles to gain knowledge about handling money and successful saving.

#### Credit Protection:

*RentPlus has your back*

RentPlus helps you look out for your financial future, and also has your back with fraud alerts. When you enroll, you will receive credit monitoring with a \$1,000,000 protection policy and recovery services if you ever become a victim of identity theft.

**Contact RentPlus to learn more and enroll into this program.**
